

## WHO WE ARE

The **New Jersey Presbytery**, <http://njpresbytery.org>, is an affiliated member of **The Presbyterian Church in America (PCA)**, [www.pcanet.org](http://www.pcanet.org). The PCA is **one of the fastest growing denominations in North America with over 1700 churches and Mission churches in the United States and Canada.**

The PCA is firmly committed to the Scriptures as the Word of God and the proclamation of the Gospel of Christ locally and world wide. Evangelism through Church planting is a primary means of growth in the PCA.

The New Jersey Presbytery is affiliated with the **PCA's Metro Philadelphia Church Planting Partnership**, [www.cpphilly.net](http://www.cpphilly.net), which coordinates recruitment of Church planters and their assessment through their Church Planting Assessment Center.

New Jersey Presbytery administers its strategies to plant and establish new churches in South Jersey through its **Mission to North America Committee (NJMNA)** composed of three pastors and two elders.
